Attorney's Fees and Costs

Debra A. Filteau Begley, U.S. Department of Justice, Washington, DC, for Respondent.

DECISION ON ATTORNEY'S FEES AND COSTS¹

On April 15, 2020, Brenda Fritz filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she received an influenza ("flu") vaccine in her left shoulder on October 19, 2018, and subsequently suffered a shoulder injury related to vaccine administration. (Petition at Preamble). On December 10, 2021, a decision was issued awarding compensation to Petitioner based on the Respondent's proffer. (ECF No. 33).

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated April 29, 2022 (ECF No. 37), requesting a total award of \$20,954.93 (representing \$19,727.60 in fees and \$1,227.33 in costs). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. (ECF No. 38). Respondent reacted to the motion on May 13, 2022, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded at the Court's discretion. (ECF No. 39). On May 17, 2022, Petitioner filed a reply stating, "Petitioner asserts that her application of fees is reasonable and in line with recent attorney fee awards in the Program and should be granted". (ECF No. 40).

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$20,954.93** (representing \$19,727.60 in fees and \$1,227.33 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Law Offices of Michael Lawson Neff, PC d/b/a Neff Injury Law. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
